

stick

of dynamite will
harris stole from
a tool shed at
king's sand &
gravel didn't look
like much of any
thing he let me
touch & hold it
while we drove
past dog n suds
& starlite drive
in looking for
girls sd he'd
known guys
w/blown off
fingers because
they'd fucked
w/dynamite caps
but he knew what
he was doing
wasn't scared
out in front of
harlow's drugs
he had it shoved
down his pants
when he walked up
to sue wagner &
rubbed it on her
leg
